

MUGS MATTERS

HELLO folks!

"We wish you a **Merry Christmas**, we wish you a **Merry Christmas**." Yes folks "**Tis The Season to Be Jolly**" and by jove do we need to be!

It's been a funny old year again and **Meg** and I have been watching from afar as we tucked ourselves up in the garage and made sure we were nice and cosy.

We have kept ourselves ship-shape and happy and have watched lots and lots of films connected with **Morris Minors**, so it has been fun all the way.

Now it's nearly Christmas, we have let the radiator's go and it's time for some serious mince pie munching!

We hope you will have fun this **Yuletide** too and it would be lovely to hear what you are up to and how you plan to spend Christmas

Why not join in the spirit and send in your adventures on the back of a Christmas bauble of course via **Rebecca.hay@mmoc.org.uk**.
MUG

COMPETITION

How festive are we then folks? As you can see from our old mucker Michael Barnes's fine and dandy cartoon, the garage is looking a lot like Christmas.

The **Clumsy Pickle** as he likes to be known is a bit of a superstar when it comes to drawing and he has captured us looking very festive and ready for the big day.

We are quite traditional in our garage and it's turkey and all the trimmings, washed down with plenty of vintage oil all the way!

The trimming up of the garage is an important job too and we hope you like our efforts so much, that you decide to colour in this cartoon with your best felt tips and glitter.

As always, it's just for fun, but we do have some rather fine metal and cloth badges to give away to the people who send in the best and brightest..

It's all a bit of fun, so have a go and if you want to send it to the garage, feel free, just send in and we might reward you. Please send via **Rebecca.hay@mmoc.org.uk**

COMPETITION CORNER

Christmas means a chance to stuff your radiators until they are fit to bursting!

And boy, do **Meg** and I intend to do just that. Our favourite is **Christmas pudding**, because it's so tasty and yummy.

Meg makes ours every October, to give it chance to mature nicely for the big day and I have to say, it is pretty fantastic.

Now while I drool over the pud, why don't you do something great and enjoy some fun puzzles which are connected to Christmas foods.

There is a **wordsearch**, a **colouring in** and a **find the ...** It is all for a bit of fun as usual, but it should keep you happy as the turkey cooks and the sprouts boil.

If you are proud of your work, then why not send in to us via

Rebecca.hay@mmoc.org.uk and who knows what might land down your chimney....
