

# MUGS MATTERS

HELLO folks!

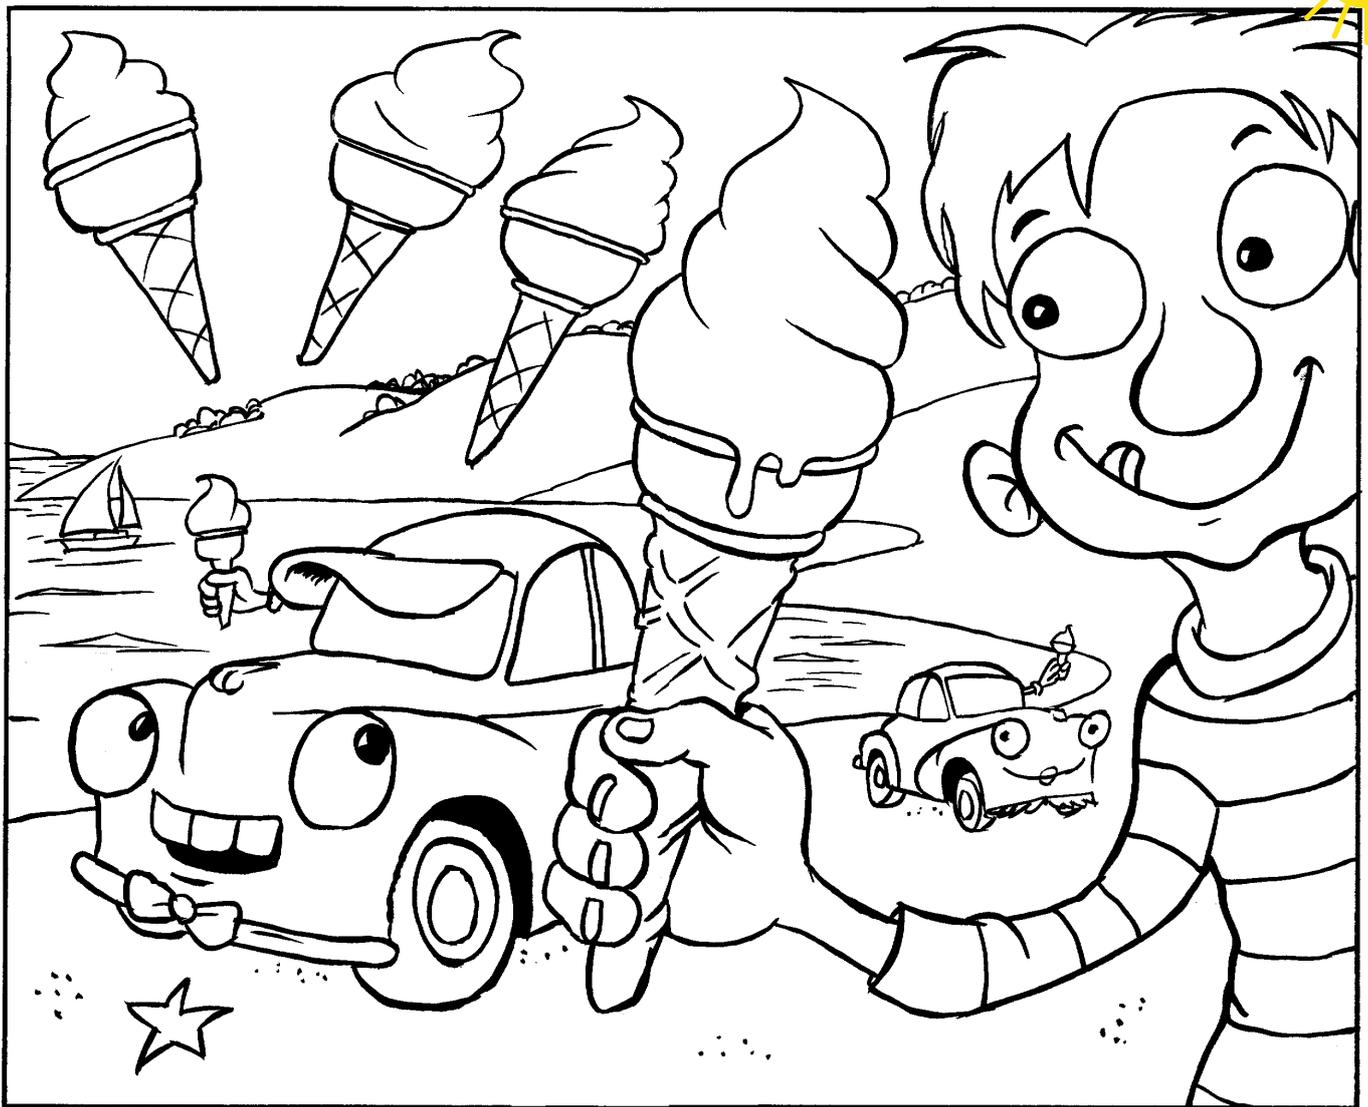

Well I don't know about you all, but **Meg** and I have turned a lovely shade of red over the last few months with all this sun about.

And hasn't it been fun, glorious weather keeping us all happy as we tinker along and have some fun. Summer is my favourite time of the year, good opportunity to eat lots of ice cream and drink lots of lovely juice.

Today, I have a very special story to tell you about some enterprising children who go to school near **Bristol Airport**, so read on below.

I hope you are all celebrating the good weather and having some fun. It would be lovely to hear from you, so why not drop **Meg** and I a line and tell us what you are up to. Just send in via **Rebecca.hay@mmoc.org.uk**

## COMPETITION CORNER

Splat, ouch, oh great! **Meg** has officially gone ice cream crazy down at the beach.

And now I have been left wearing vanilla, chocolate and even raspberry ripple on my face. **Meg** just loves ice cream and she could not hide her delight when we ventured down to the sands and saw the ice cream man had scattered different cones everywhere.

**Meg** hasn't stop scoffing or smiling since. **Peter Rigg the Artist** popped down to see what was happening and drew this fine and dandy cartoon for today's teaser.

All you have to do is dig out your best pens and glitter and colour in the cones dotted about, the brighter the better!

There is no prize in it, although I may hand out a cone or two if you send in your entries, so don't delay, get sending in today and email it in for **Meg** and I to see, via **Rebecca.hay@mmoc.org.uk**,

# COMPETITION CORNER

Today we are doing things a little differently to keep you all on your toes. No competition to get your brains going.

Instead I am going to tell you a wee tale about some very forward thinking children connected with the **Avon** branch of the **Morris Minor Owners' Club**.

Their head teacher **Nik Gardner** is a member of the branch and he was given the **MMOC cutaway engine/gearbox** which was previously looked after by **Reg Salway**.

Nik tidied it up a bit and is now on display in the school entrance hall to show the children what a real classic car looks like and works.

The children are no strangers to Moggy's. Nik has been a member of the MMOC for 25 years and has even displayed his 1934 Minor in the school.

And the project has proved to be a big hit with the children, their parents and grand parents and has also featured in the local Press. Thanks to Nik, we have some photos of the project.

So the children and Nik have been spreading the joy of the Morris Minor and hopefully picked up a few Minor enthusiasts along the way.

A great story, why not email your tales in and we might even send you a prize. Just send via **Rebecca.hay@mmoc.org.uk**

## MUG MIRTH

Summer is officially out and so its time for some jokes. See our collection of pearls below and if you have any to share, just send them in via **Rebecca.hay@mmoc.org.uk**
