

# MUGS MATTERS

**HELLO folks!**

Meg and I can't believe that nearly half the year has disappeared already! And what fun we have had on our travels.

We enjoyed a snowy winter with lots of white fun and games and then an early Easter rolling eggs, before we chomped them.

May and June are now upon us and that means plenty of happy times. The weather is warming up and the days are longer, which suits us as we zoom about and have fun.

We are aiming to spend as much time as we can touring the country and seeing as many sights and people as we possibly can.

So if you spot us when we whizz about, make sure you hoot and wave and we promise to flash our lights at you. You can't miss us, we are the good looking ones...

It would be lovely to hear from you, so please drop us a line via [Rebecca.hay@mmoc.org.uk](mailto:Rebecca.hay@mmoc.org.uk) and who knows you may win a wee prize.

## COMPETITION CORNER

Take your partners by the hand and hurl yourselves round those poles. Yes folks it is that time of the year again when Meg digs out her maypole and starts bouncing around.

And it is quite a sight, I can tell you as Meg has a few more curves these days! But it is all good fun and we love to travel about, meeting people and showing off our skills.

We particularly enjoy going to events up and down the country as it gives us a chance to try out our accents and all the different foods and drinks that are on offer.

Our favourite dishes so far include deep fried Mars bars in Scotland and some smashing Lancashire Hot Pot in the North of England.

As there was food and drink about, **Peter Rigg the Artist** decided he was going to join in on the act and he hopped on the tour bus. As you can see from his splendid cartoon, he drew a lovely picture of us having fun and games at a real May Day extravaganza.

And all you have to do is spot the differences between the two pictures and if you fancy it, why not colour in and add a splat or two of glitter. It is all for fun, but feel free to send it to us for our garage wall, via [Rebecca.hay@mmoc.org.uk](mailto:Rebecca.hay@mmoc.org.uk)

To get you in the spring mood and ready for summer, Meg and I thought we would set you a puzzle today to keep your brains working hard.

And here it is. It is all for fun and is pretty easy too, so there should be no excuse for having a go, now should there?!

Dig out those pencils and ring those words and if you can do some actions too, then you will be well away.

Remember it is all for a good laugh, so don't be panicking if you leave it a while, but if you fancy it, send in your brilliance via [Rebecca.hay@mmoc.org.uk](mailto:Rebecca.hay@mmoc.org.uk)
