

# MUGS MATTERS

**HELLO folks!**

Well the sun is shining and at last we are all allowed to go out and have some fun. Well a little bit of freedom anyway!

**Meg** and I hope you are all well and have managed to survive the strange times we have been living in and that you have embraced the changes to make your life even better.

We have spent our time making sure we are in tip top condition and have had a really lovely overhaul and

restoration to make sure when all gets back to normal, we will be raring to go!

It would be lovely to hear how you have been getting on and all the fun things you have been trying out.

Why not drop Meg and I a line and tell us what you have been up to and we will do the rest.

Please just email them via [Rebecca.hay@mmoc.org.uk](mailto:Rebecca.hay@mmoc.org.uk) and who knows you may win a wee prize.

**MUG**

## COMPETITION CORNER

**Dig out the deck chairs and have some fun in the sun. It is time to get yourself dolled up in cool clothes and trendy sunglasses and chill out.**

**Meg** and I drove down the promenade in **Blackpool** with chums **Ruaridh** and **Flossie** and wow, did we had a great time. The views were great, the sea looked cool and as for the smell of the fish and chips and candy floss, lip smackingly beautiful.

My old pal **Peter Rigg the Artist** decided it was time for a break himself and we met him, two metres apart of course, on the prom.

While we were chatting, we had not realised that Ruaridh and Flossie were getting up to their usual tricks. We had sent them ahead to the beach to put out the deck chairs. All looked great until we tried to reach the stripy sizzlers.

I went ahead and when I turned round and I saw Meg in the distance trying to find her way through to me. Now she is a daff dot at the best of times, but she was really stuck this time.

I hope you will all help me and look at Peter's cartoon which shows a route through. If you can dig out your best felt tip pens and find that way through.

And he drew this wonderful cartoon for you today to colour in and add as much sparkle as you can to make it look even more super dooper. Then why not send in your colourful entries via [Rebecca.hay@mmoc.org.uk](mailto:Rebecca.hay@mmoc.org.uk)

The best thing about summer is that there is always an excuse to tuck into an ice cream.

I don't know about you, but Meg and I love a good tasty ice cream and the more weird the flavour, the better!

If you are an ice cream fan like me, you will know that depending where you are in the world means the taste, texture and flavours are all so different.

But that is part of the fun as I am sure all you ice cream fans out there will now and love. To mark the fantastic taste of ice cream and the way it tickles our tastebuds, Meg and I have devised a special wordsearch for you.

Make sure you tuck into a special ice cream while you are doing it, it will help the brain cells kick into action!

It is all just for fun, so enjoy, but feel free to email us too say how you got on and who knows there may be a prize. Just send in via [Rebecca.hay@mmoc.org.uk](mailto:Rebecca.hay@mmoc.org.uk)
